Project Title: Equal Rights Amendment (ERA) Website

I'd like to build this site as multiple pages, rather than a long, single page website. Typical site navigation probably across the top. I think there is plenty of content and photography to build out individual pages.

- **Home Page/Introduction** – Introduce basic point I want to get across about the ERA. What is it and why is it important to ratify?

- **Background & feminist split**

- **Ratifications & ratifications rescinded**

- **State Equal Rights Amendments**

- **Support the ERA**

- **Opposition**

- **Sources** – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
